AN ENVIRONMENT WITH ENDLESS OPPORTUNITIES

AT ABBOTSHOLME, WE ARE PROUD OF OUR TRADITION OF NURTURING CREATIVITY AND EXCELLENCE.

Now, we are taking an inspiring step forward; from Summer 2026 Abbotsholme will join the world's leading music schools as an All-Steinway School.

A Steinway School represents the very best in music education. These institutions demonstrate an unwavering commitment to excellence by providing students with Steinway & Sons pianos - instruments renowned worldwide for their exceptional tone, craftsmanship, and inspiration.

As part of this commitment, Abbotsholme is investing in new pianos, including grand pianos, to ensure our students have access to the finest instruments available.

Alongside our new status as an All-Steinway School we are proud to launch the **Steinway Scholarship Programme**, creating **unparalleled opportunities** for gifted young musicians to be inspired and supported in realising their full potential.
